

Subject- Inspection of Civil Hospital Nawanshahr - 3:00 PM on 31/12/2010

1. I inspected Civil Hospital Nawanshahr in the afternoon of 31/12/2010. Following points need immediate action: -

- (i) **Labour Room-** Till now, there is no separate labour room and the same is being shared with the Emergency which is highly objectionable. Kindly fix responsibility and report if any CHC / SDH / DH does not have an exclusive labour room. Civil Surgeon Nawanshahr is preparing a separate room for emergency **(MD PHSC)**.
- (ii) **Staff-** The staff is as per 50 beds whereas there are 64 beds and the nurse for emergency was being asked to look-after the labour room. Till we give them regular staff nurse, kindly send the demand of 5 Staff Nurses to MD NRHM exclusively for labour rooms. **(MD PHSC / MD NRHM)**
- (iii) **Board-** There was no board depicting the posting of doctors and their mobile numbers **(SMO, CH Nawanshahr)**
- (iv) **Mattresses-** The condition of mattresses was extremely poor and nearly half of them were without bed sheets **(MD PHSC/ SMO Nawanshahr)**.
- (v) **Post of DMC-** Post is vacant **[ASH(G)]**.
- (vi) **Old Vehicles-** Condemned 3 vehicles yet to be auctioned **(MD PHSC)**.
