PUNJAB GOVT. EMPLOYEES/PENSIONERS

VOLUME-III (REVISED)

Punjab Government on 1st July, 1984 and 8th April, 1992 published consolidated instructions issued from time to time regarding re-imburement of medical treatment charges to Punjab Government employees/ pensioners, in the form of the booklets volume-I and volume-II. This had proved very useful to the employees pensioners as well as the Government Department who have to process the re-imburement claims.

After the publication of above two booklets many new instructions have been issued regarding the medical benefits, to the employees and pensioners. To fulfill the long felt need of the employees/pensioners the Government has now compiled all the up to date instructions issued after the publication of the 2nd Edition in the shape of Voll. III. I hope that the employees and pensioners as well as the Government Department will find it very useful .

Secretary to Government of Punjab,
Department of Health & Family Welfare
